

SESAME – LinkSCEEM Open Day

Date: Wednesday 27 March, 2013

Attendees:

About 45 attendees from Philadelphia University and University of Jordan joined SESAME – LinkSCEEM open day with different academic backgrounds such as Computer Engineering, Physics, Pharmacy and Software Engineering.

Description of Open Day:

SESAME in a partnership with LinkSCEEM Project held an Open Day which took place in SESAME site on the 27th of April 2013 for two Jordanian Universities (Philadelphia University and University of Jordan). In the open day, an introductory session about LinkSCEEM - 2 Project and SESAME was presented.

Agenda:

In the open day, we received two groups; the first one was from Philadelphia University while the second one was from University of Jordan. The open day agenda was as shown below:

Time Slot (mins)	Title	Details
